Our venues are all conveniently located to create a series of enjoyable walking tours. Upper Beeding can be reached from Steyning on foot across the river, and Venue number 11 is only a short cycle ride.

This year we have made more use of commercial premises along the High Street and these venues will be open and displaying artwork during the week also.

St Nicholas Church in Bramber has joined the trail for this year and is also open to the public during the week.

Some venues will be offering refreshments and live demonstrations.
